SECURE WORKERS ACCESS CONSORTIUM (SWAC) APPROVALS

The Secure Worker Access Consortium (SWAC) is a unique cooperative security program that enables the effective and efficient security threat assessment screening of individuals who require access to designated secure areas or, access to confidential information. SWAC successfully meets the challenges of Personal Identity Verification (PIV) for contracted workers to help ensure they are known, trusted, and have a threat-free history in accordance with federal standards.

SWAC Applicants for CONFIDENTIAL Information Only

SWAC applicants who are eligible for limited access to confidential information only (e.g. project bid documents) shall present themselves and their unexpired government issued documents to a SWAC Processing Center for Positive Identity Verification. **Fill out this one page, one (1) of five (5), then print this form, sign and mail this page to the address provided on page five (5).**

Bidders residing beyond a two-hundred (200) mile radius of Manhattan, New York (e.g., Boston, MA to the north and Washington, D.C. to the South) may bypass physically reporting to a processing center. However, a copy of all required ID documentation (previously selected on the SWAC online application) must be verified by an officer of the Company or the designated Security Information Manager (SIM). In addition, the signature of the applicant, along with a copy of ID Documentation selected on the SWAC online application, must also be notarized and submitted to SWAC via overnight mail. Please provide the information below. **Applicant's name and signature must match all provided ID Documents, then proceed to page two (2), three (3), then (4 & 5 to PRINT).**
